BRIDAL PARTY INFO

BRIDAL AGREEMENT

This is an agreement between (bride) _____ and (stylists) _____ at Uplift Beauty Lounge. The deposit paid by bride is non-refundable if the bride chooses to cancel the wedding date booked for any reason. We can reschedule on a different date where the deposit will still stand good. However, we can not guarantee the reschedule date will be available and can not be held for any reason. If for any reason the stylists have to cancel for the wedding due to an emergency of any kind, the bride will be fully refunded and we will try to help make any arrangements necessary to provide hair and makeup services to the bridal party.

The bride and her party agrees to arrive **on time** at the location chosen. The bride and the party must come with clean DRY hair and a clean makeup free face. All makeup will be provided. This is important to ensure that everything stays on schedule. Depending on the size of the party, we may need to start as early as 6 or 7am. Please be sure to check with the on site location that we are able to have access inside that early if needed.

For on site services, we ask that a well- natural lit room be provided with plenty windows. We also ask for plenty plug-ins and possibly mirrors.

Hair and makeup can take 30 minutes to an hour for hair and makeup each per girl. Please keep this in mind as we schedule your wedding day prepping. The more people in your party, the earlier we must start. We must also start early if your wedding starts earlier in the day.
